Amendment No. 2 to Registration Statement on Form S-4

Background of the Combination, page 95

1. We note your revised disclosure on page 100 in response to prior comment 2. Please

further revise the disclosure on page 100 to present a numerical value.

2. With reference to prior comment 5, please revise the disclosure on page 104 and

elsewhere in the Background section, as applicable, to clarify when the parties agreed that

Pfizer would retain the pre-Distribution taxes attributable to the Upjohn business. In this

regard, the disclosure on page 104 suggests that Newco would assume the \$4.9 billion in

tax payments attributable to Upjohn (as reflected in the pro forma presentation on page

270). To the extent that the parties agreed prior to July 26-28 that Pfizer would retain

these tax obligations, please revise the July 26-28 entry to quantify the magnitude of the

pre-Distribution liabilities related to the Upjohn Business that were at issue during the

final three days of negotiation. Also, revise the disclosure on page 103 to clarify whether

Mylan's financial advisors in rendering the joint opinion assumed that Pfizer would retain

the pre-Distribution taxes attributable to the Upjohn business and Newco would assume

the other pre-Distribution liabilities related to the Upjohn Business (exclusive of the

contingent liabilities referenced on page 103).

Golden Parachute Compensation, page 128

3. With reference to your disclosures on pages 126 and 127, please provide us an analysis

explaining why the \$10 million award is not presented as Golden

Parachute Compensation

pursuant to Regulation S-K, Item 402(t). Also, revise the Background of the Combination

section to include the discussions/negotiations concerning Mr. Coury's

future

compensation with Newco.
